

What Love Is Like

Words and music by Melanie Tierce-Slay, Josh Lavender, Jordan Rife, Andrea C. Hunter

Verse 1:

Dm **C** **Am** **Gsus**
When everything is wrong and I want to make it right
Dm **C** **Gsus**
When it seems injustice has the final word
Dm **C** **Am** **Gsus**
When I want to run away, or take up my sword to fight
Dm **C** **Gsus**
Cause I can't just sit and watch the way this hurts

Chorus:

F **C/E**
I see my Savior bound by accusers
Am **Gsus**
Blessing the hands that take His life
F **Am**
I hear Him saying "Father forgive them"
C **G**
Showing the world what love is like
Dm **C**
Can you hear Him say,
Am **G**
"Put your weapons away
F Am Gsus
And follow me"?

Verse 2

Dm **C** **Am** **Gsus**
Faith will be my sight, I'll fall on my knees to rise
Dm **C** **Gsus**
Until Your Kingdom comes in all the earth
Dm **C** **Am** **Gsus**
And the darkness of the tomb, meets the brilliance of Your light
Dm **C** **Gsus**

Yours will always be the final Word

We lift our eyes above

We don't battle flesh and blood
