Verse 1:

E F#m D A
When he took his first breath there was peace on earth again

E F#m D A
When he stepped into the dust he was leading us in love

E F#m D A
When he fell to his knees he was lifting up the weak

E F#m D A
“Not my will, but your way,” he was teaching us to pray

Chorus:

E - F#m - D - A
Hallelujah (x4)

Verse 2:

E F#m D A
When he breathed his last breath my old life was put to death

E F#m D E A
When they laid him in the earth my sin sank into the dirt (Pause/build)

E F#m D E A
When you rose from the dead my soul came to life again

E F#m D E A
When you tore through the sky you led the way to Paradise

Bridge:

D A
Crown him the highest name

F#m E
Give him the highest praise

D A F#m E (D 2nd time)

We're gonna sing till we see Jesus Jesus

Verse 3:

E F#m D A

As he's seated on his throne now through us his Kingdom comes

E F#m D A

Soon the battle will be won he'll be coming back for us

E F#m D A

Every tear will fall away and not even death will separate

E F#m D A

So we will seek and we will pray until we see him face to face
