

# Send Us

Words and music by Josh Lavender and Cam Monroe

## Verse 1:

D                    F#m            E  
Sent of the Father You came  
D                    F#m            E  
The light of the world in the darkness  
D                    F#m            E  
Savior You show us the way  
D                    F#m            E  
To lay down our lives for the broken

## Pre-Chorus:

Bm                F#m  
You emptied yourself  
    A            E  
Of all but love  
Bm                F#m  
Empty us now  
    A            E  
Of all but love

## Chorus:

                  A                            E  
Send us into the dark to be light  
                  F#m    D  
In the valley of dry bones we will bring life  
                  A/C#    E  
Til the morning has conquered the night  
                  F#m                            E            D  
We will go into the dark to be your light

**Interlude:** D - F#m - E

**Verse 2:**

D                    F#m            E  
Sent with your Spirit we'll go  
D                    F#m            E  
Moving with power and purpose  
D                    F#m            E  
You send your Church to the world  
D                    F#m            E  
To carry the cross like you taught us

**Bridge:**

D                    F#m    E  
We are a chosen people  
                          A/C# D  
We are a holy nation  
D                    F#m    E  
Here to declare your praise  
A/C# D                    F#m    E  
You call us out of darkness  
                          A/C# D  
Into the light of Jesus  
                          F#m    E  
We will declare your praise
